▼ Scenario Block Options ▼

Scenario

In this study, you will be role playing the following scenario:

You graduated in accounting and have agreed to help a friend prepare their taxes. You have asked them to email you their last year's tax PIN and their social security number.

As part of the study, your friend will send you this information three different times. Each time, after receiving their PIN and SSN, you will be provided with a confirmation code and a PIN number to send to your friend so that both of you can continue with the study.
